

THE APPROVALS PROCESS FOR GRADUATE SUPERVISION BY RETIREES

The Dean of the School of Graduate Studies has been authorized since 1979 to grant permission to retired faculty members to supervise graduate students.

As stated in the **Policy on Relations of Retired Faculty Members with the University**, "When a faculty member retires - either through early or mandatory retirement - and subsequently wishes to supervise graduate students (Master's and Ph.D.), that individual shall submit an application form for each new supervision proposed... The faculty member and the chair of the department will be notified of the decision by the Dean of Graduate Studies."
